Far left is Lewis Arlt, Gold Sponsor; Angelo Di Michelo; Mark Bezos, last year's honoree; Ralph Zednik

On Thursday May 7th Advocate Brokerage sponsored a celebration for Scarsdale & Edgemont Family Counseling Services titled An Evening in Monte Carlo. The event took place at the Scarsdale Golf Club in Hartsdale where attendees enjoyed a beautiful evening playing exciting games of chance and sampling international fare. Co-sponsors for the event, Chubb Insurance and Houlihan Lawrence Real Estate were on hand to help raise awareness for this invaluable community resource.

SFCS has a long tradition within our community offering confidential counseling services and support programs for people at every stage of life. They are an extremely accessible resource helping families navigate life's social and emotional challenges while offering unique perspectives on the challenges specific to the communities of Scarsdale and Edgemont. In speaking of SFCS's mission Executive Director, Jay Genova beautifully summed it up by stating "Families matter and families are the cornerstone of the community."

The event raised over \$90,000 which will benefit SFCS as they continue to broaden the support they provide to the residents within our communities. In the coming year SFCS looks forward to expanding group services to children as well as services for the elderly.
